Maths Challenge

UNITED KINGDOM
MATHEMATICS TRUST

Last year was the first time Whitefriars took part in the UKMT Junior Mathematics Challenge, which was open to year 7 and 8. We had 30 entrants, of which 11 students received either a Gold, Silver or Bronze Award. This year we have also entered 30 students and are looking forward to seeing how they get on as they have put in a lot of effort, time and hard work.

Meccano Club

Year 8 Meccano Club started this Wednesday. This club was inspired by a number of students who are keen to be engineers in the future. The group are getting to grips with the tools and simple models. By half-term we hope to have built a robotic arm.

Computing Club

In Computing Club this term we will be constructing LEGO Mindstorm objects and programming them to do various activities.

Mama Mia

Rehearsals for the schools Production of Mamma Mia are well under way with students brushing up on their skills in Drama, Music and Art. Students are also working hard practicing their roles, learning the songs and dances and are helping to create the set and props.

Rock Band

The Rock Band has been working hard on practising songs for this term's musical production of 'Mamma Mia'. The students are really enjoying playing the hits of 'ABBA' and have been making amazing progress. They are very much looking forward to showing off their hard work and performing the songs live.
