

Dear Phoenix Parents and Children,

I hope you are all well, safe and enjoying spending time together as a family.

I must say that I have missed being with all of you in school teaching and learning new things every day.

I want to tell you all that I am very proud of all of your hard work and effort to complete your online home learning tasks every week. I hope you are also enjoying your learning activities on Education City.

Special thank you to Jash, who has surprised me with scoring one hundred percent on his math activity 'spin a ring'.

Another special thank you to Faizan, Abdulbasith, Imaan, Maysoon, Zainab and Alayna for completing your learning activities on Education City, I enjoy reading your success tracker and watching you thrive.

I hope you are also enjoying your reading books on Bug Club, I can see that some of you have been scoring one hundred percent on your quizzes. In general, I am very pleased with the level of progress that you have all made. Luckily, I have more time now to try new activities that I have had no time to try before. I enjoy riding a bike with my children as it keeps us all fit and healthy. Do you like riding a bike too?

Also, I have been trying some gardening activities and it is really fun to watch a little plant grow bigger every day. Have you had the chance to plant something while you are away from school?

Look at these pictures of my children and I having lots of fun together on the bikes. Let me tell you a secret, I really found it tricky to ride a bike but with a little practise it was fine and became really fun and enjoyable. Here are some of the plants I grew during this time away from school.

I hope you have all had a chance to relax over Easter and managed to enjoy some Easter Eggs!

It is going to be Ramadan soon and I want to wish all of you who celebrate this holy month a Ramadan Mubarak to you all!

Finally, I want to let you know that I miss you all so much and I cannot wait to see you all again healthy and happy.

Remember to stay at home and stay safe.

Mrs Mohran
