Hello Year 6

What an adventure this has been so far, who would have thought that we would be staying safe at home from a global pandemic, but at least we can tell this story in many years to come.

A Special Message from Ms Babber

Dear Chamaeleon Class,

I hope you are all well and staying safe during this time and that you are all enjoying your time at home. I cannot wait to hear about all the interesting and fun things that you have been up to. I have been keeping myself very busy throughout this time and have even found a new love for yoga which helps me keep a happy and healthy mind. I'm not a professional yet but holding the tall tree pose is fast becoming my talent. I have also enjoyed reading lot's of new novels and have set myself a challenge to read at least one NEW text a week- so far so good. I love sitting in my garden to read my books and soaking in the fresh air but the reality is that most of the time my two little dinosaurs are running around behind me and being cheeky.

I miss reading our class novel 'Chitty Chitty Bang Bang'; hopefully we will finish it soon and find out what really happens to the Queen and whether England do end up winning the 1966 World cup match. Who knows? More than anything Chamaeleon, I miss teaching you all and seeing your bright smiley faces (not so much the sweaty faces after the lunch time football sessions!) I cannot wait to see you all again my lovelies. Keep up the great stuff you are doing at home.

See you soon

A Special Message from Mrs Harris and Ms Daulatzai

Hello Year 6,

You're often on our minds and when we've looked into the playground you're all there. With fondness, we remember working with you and wondered if you have found new interests, hobbies to keep you busy or now become an expert at something you have been studying. If you have found things a little bit tricky, persevere and don't give up. You're all super smart and will find a way to achieve all you set out to do. Remember small steps every day will get you there. Look forward to seeing you all soon.

A Special Message from Mrs Adams

Dear all,

I hope you're not missing school too much! I am busy cooking and doing jigsaws with my boys. I am also having fun doing Joe Wicks' exercises each day. I can't wait to see your smiling faces back at Whitefriars very soon.

Take Care
