ALL THE FUN OF THE AUTUMN FAIR!

Value of the month

Positivity

- Focusing on solutions not problems
- Thinking about the next step rather than what went wrong

Article 13: Your right to have information..

This year's Autumn Fair was a huge success. A massive thanks to everyone who came along and enjoyed the day with us. Face painting, rides, bouncy castles, a fantastic barbeque and great performances all added to the excitement of the day. A grand total of £3009 was raised and will be spent on some exciting projects for the school this year.

Welcome to Reception!

We have redesigned our Reception classrooms this year to create one big free flow environment. This week the children have been experiencing our new zones and are very engaged in their learning. The 'Focus' zone contains maths, literacy and ICT activities. The 'Discovery' zone is where children can explore, investigate, build and role-play. The 'Creative' zone is a messy area where the children can explore and create! The children are excited to be choosing their learning inside and outside.

Year 3 Trip to Verulamium

"We learnt a lot about Roman life-styles from the workshop about Roman Market Places at the Verulamium Museum. We enjoyed dressing like Romans in long tunics and togas. We saw the Hypocaust and learnt how the Romans kept their houses warm. We looked at the big mosaic found at the Verulamium site. It was a fun learning day." by Patryk and Amel in Orion Class.

The Learning Mentors have been taking a group of parents to a flower arranging class at Woodlands Forest School, All Saints Church, Harrow Weald.

So far, they have learnt how to make a basket of flowers and a wedding bouquet. They are all finding that you can learn anything if you just take the first steps!
