

Hi Delphinus Class!

I hope you are keeping well and safe at home.

I miss you all so much and can not wait to meet and teach you again! I am happy you are safe at home. I hope you have enjoyed doing the learning activities and playing games at home. I have been keeping busy at home as well. Here is some of the activities I have been doing!

My favourite activity: Look at the picture – these are the ingredients I used. What do you think my favourite activity is? Yes, **cooking!**

I have also been spending time reflecting about all the wonderful memories we had in school.

My best memories are:

1. When we went to **Paradise Wildlife Park** – BEST TRIP EVER! Can you remember which animals we saw? Here is a picture to remind you!
2. **Playing basketball in PE** – By the end of you were all AMAZING and learned so many new skills. Do you remember how many points you scored?
3. Our super exciting topic – **The Great Fire of London!** You all learned so much in this topic, you even did some great acting during the workshop. Can you remember where the fire started?

Think about your top 3 memories – write them in your home learning book.

I miss you all so much and can not wait to see you again! Stay Safe and Stay Home 😊

Miss Patel
