

Hi Lyra!

I hope you are all keeping well and staying safe. I've been keeping very busy planning different activities for your learning packs. In my spare time, I have been catching up on some reading and practicing my watercolour painting. I have also been exercising every day, with a little help from Lily the puppy! I miss you all and can't wait to see you and hear all about what you have been up to!

Miss Hardman

Hi Hercules

During this time, I have used it to stay active and healthy by doing home workouts in the morning and evening time.

I have also gone on walks around the park plus my local area and have gone on nice bike rides in the vicinity that I live with my brother.

We have spent a lot time together doing house-based projects like painting and gardening.

I hope everyone is safe and using their time wisely.

Mr Banks

Hi Corvus

I hope you are all keeping safe. I am busy doing my back garden, but it needs a professional gardener. I miss you all.

Guess what? I read the other chapters of the London Eye and I found out about Salim.
