He says 'I am really excited to be appointed Headteacher of Whitefriars School. All-through schools are incredible places. Knowing children from age 3, all the way to age 18, means they can achieve wonderful and remarkable things. I saw this on our GCSE results day this year as pupils, who have been with us since nursery, collected their GCSE results. It meant they achieved academic excellence, as well as becoming great people who hold our Whitefriars values deep in their hearts.

'It is a real privilege to have been entrusted with the job of leading such a fantastic school and building further on this great success.

'I am looking forward to working with the whole community and am determined that the school continues to go from strength to strength. By working together we can ensure that all pupils love coming to school and that they all make excellent progress.'
