

5th May 2022

Dear Parents and Carers,

Re: Packed lunches - Thursday 26th May – Primary section

Whitefriars School will be running GCSE examinations from Monday 16th May to Thursday 23rd June. These are very important examinations for our Year 11 pupils.

We have managed to integrate the extensive exam requirements into the operations of the school with only minor changes on all but one day in the exam period.

On Thursday 26th May there are several examinations running simultaneously in a number of venues. This means that our catering team will be unable to serve food for the primary section on this day.

On Thursday 26th May please can all primary section pupils bring a packed lunch from home. Please can this contain healthy items only and not items with too much sugar. Thank you for supporting the school by providing lunch on this day. A packed lunch will be provided for pupils in receipt of free school meals.

On this day we will also be celebrating the Queen's Platinum Jubilee with various activities in school. The class packed lunches will become part of this celebration.

Please do not hesitate to contact us with any questions.

Yours sincerely,

Mr J. Watson
Headteacher
