

Thursday 23rd June 2021

Dear Parents/Carers,

Healthy Me Week and Primary Sports Day

Next week, it is 'Healthy Me' week in the primary section and we will be having a whole school focus on nutrition, physical and mental health. Our primary Sports Days will also take place this week.

For Sports Day this year we have created 'house teams' which means all pupils will be allocated a colour to represent their house. Pupils will accumulate points for their team and be awarded points for participation and effort.

See below the dates for Sports Day:

Tuesday 28 th June EYFS Sports Day	Thursday 30 th June KS2 Sports Day	Friday 1 st July KS1 Sports Day
Reception and Nursery AM	Years 3, 4, 5 & 6	Year 1 and 2
Nursery PM	<i>Please note: Y5 will be going swimming in the afternoon.</i>	

Your child will need to arrive at school at the normal time, please ensure your child is wearing the school P.E. kit (shorts or track suit bottoms, colourful t-shirt). Please ensure that your child is wearing suitable footwear such as trainers or plimsolls which fit them correctly.

If it is a hot sunny day, it is recommended that a sun hat is worn and sun cream applied to your child **before** school. Your child will need to bring their own water bottle and have their name clearly labelled on the bottle.

We hope that the weather will be good and we shall have an enjoyable time. Please note; if the weather is poor, we may need to cancel or reschedule the event.

Thank you for your continued support and positivity,

Yours sincerely
 Mr David-Joseph
