

Thursday 14th July 2022

Dear Parents and Carers,

Re: High temperatures – Monday 18th July and Tuesday 19th July

The temperatures are forecast to be very high on Monday 18th July and Tuesday 19th July. As a result of this we have put the following measures in place:

Pupils are welcome to wear their PE kits to school on Monday 18th July and Tuesday 19th July. A reminder that pupils should only wear items on the PE kit list. Information about the primary section PE kit is available [here](#). Information about the secondary section PE kit is available [here](#).

Pupils will be dismissed early on Monday 18th July and Tuesday 19th July. Pupils will be dismissed at the following times:

Primary section	1.15pm
Years 7, 8 and 12	1.00pm
Years 9 and 10	1.15pm

Please note we will not have an after-school club on Monday 18th July and Tuesday 19th July.

Please let us know (office@whitefriars.harrow.sch.uk) if you would like your child to stay in school until 3pm and will make the necessary arrangements. Please let the office know by the close of Friday 15th July.

The primary section and Years 7 and 8 will all have lunch in school at the normal times. Years 9 and 10 will be dismissed before lunchtime. They will have the opportunity to buy baguettes as they leave.

Please do not hesitate to contact us with any questions.

Many thanks for your positivity and support.

Yours sincerely,
Mr J. Watson
Headteacher
