Dear Parents and Carers,

Re: Guidance for parents and carers on the school premises

A reminder that parents and carers must not take photos or videos whilst on the school premises. This is to protect and safeguard all our pupils, families and staff.

We kindly ask that you do not bring food or dogs onto the school premises when collecting your child at the end of the school day. This is because a number of our pupils have allergies.

As part of our PSHE programme we provide education to our pupils about how to live a healthy lifestyle, this includes about the dangers of smoking. In light of this, we also kindly ask that you do not smoke directly outside the school premises and along the front fence.

We fully appreciate your support with these matters.

Yours sincerely,

Mrs Williams
Deputy Headteacher
