Re: Wizard Theatre 'Pinocchio'

Dear Parents and Carers,

The Wizard Theatre will be performing the much-loved classic, 'Pinocchio'.

The poster for Wizard Theatre's 'Pinocchio' features a central illustration of Pinocchio with a long nose, surrounded by text. The text includes the title 'Pinocchio', the author 'by Carlo Collodi', and the adaptors 'Adapted by Oliver Gray and Leon Hamilton'. It also contains a synopsis of the story, a list of schools that have performed the play, and contact information for the theatre.

Geppetto the carpenter carves a puppet called Pinocchio from a block of wood. But the naughty puppet abandons Geppetto in favour of a life of adventure. Jealous of his new friends Pinocchio is desperate to become a real boy, but what sacrifices will he have to make before he can achieve his dream?

This extraordinary story of redemption is also a hysterical satire on growing up and features a leading actor whose nose really does grow!

Wizard Theatre returns with the much loved classic Pinocchio in association with multi award winning international company Illyria.
