

13th November 2023

Dear Parents/Carers of Year 5,

Re: Year 5 Victorian School Day Workshop

As part of our topic learning about '**How did Victorian inventions change the world?**', we have arranged for our Year 5 children to participate in a Victorian School Day at Whitefriars School. This workshop will be delivered by The Victorian School, an outside provider and it will give the children the opportunity to dress up as Victorian children and take part in traditional school lessons and activities from the Victorian times.

This visit will take place on **Tuesday 12th December 2023**; this is an exciting opportunity for your child to extend their topic learning in a real-life context.

The Victorian School provides some traditional costumes but in order to make the most of the day, children are encouraged to dress up like Victorian children. Class teachers will be providing examples of traditional clothing closer to the date.

Parents are asked to make a voluntary contribution of **£5.30** towards the cost of this visit. The price includes the cost of the workshop and the equipment provided by the Victorian School. Unfortunately, failure to raise the required amount may mean cancellation of the visit.

Please make payment by no later than **Tuesday 5th December 2023** so that we can check whether the trip can go ahead.

Yours sincerely,

Year 5 Teachers
